The Safest Investments

these that do not fluctuate during dis-ord conditions of the money or stock mar-s. First deed of trust notes (first mortiges), well secured on real estate in the istrict of Columbia, constitute "giltedge" textments. They do not depend upon the cancial responsibility of individuals or cormarketal responsibility of individuals of cor-corations for their stability, and are exempt root laxation as personal property. We can supply such investments in amounts from Son upward. Send for booklet "Concerning Louis and Investments."
